

Hi there! The name's Henry – Henry Mouse to be exact, the New “Self-Appointed” Roving Reporter for the Henry County Fair.

I live at the Secretary's office at the fairgrounds so I always have the latest “scoop” on everything that goes on around here! But, shhh . . . it's a secret. Those people called fair board directors don't know I'm here. Actually, my ancestors have been around here for over 150 years.

I'm sort of a blabber-mouth – can't keep a secret to save my soul . . . This is a busy place. Too much to do – too much to tell. Busy, busy, busy.

So kids and adults – watch for me in your local newspapers from now until fair starts on June 22!

I'm in the corner of the New for 2010 pages in this fair book. Right up there in the corner.  Check out all the new stuff. It is going to be an Extravaganza! At least that is what I heard. See for yourself. WOW!

Hope to see you all at the fair.

P.S. I heard there are over **30 new activities** for this year's fair. Check it out. Bye now
