

Friend of the Fair **Duane Weis**

Duane has provided constant help and is dedicated completely to the Henry County Fair. He is always there to do any and all jobs to see that the “Fair” runs smoothly.

His tireless energy and willingness to help with anything connected with the fair far exceeds what is expected of a single person. All seasons of the year, Duane can be counted on to troubleshoot, fix, build, paint, plumb, repair, haul and keep a watchful eye on the fairgrounds to keep it functionally running. Duane, thank you for all your hard work and caring attitude of “*The Show Must Go On*”.

Friend of the Fair **Joe Hendel**

Joe has provided the Sound System for all aspects of the Henry County Fair, every year for the last 40+ years! Through sun, wind, hail, rain, unbearably HOT to winter coat cold he has gone above and beyond what a sound man is contracted to do. Anytime an unexpected crisis arose, we knew we could count on Joe to fix the sound so “*The Show Could Go On!*” Thanks Joe!
